

LIMITED WARRANTY

FOR LEXUS PARTS OR ACCESSORIES

What is Covered:

Lexus* warrants that it will either provide a replacement part or repair any Lexus part or accessory that is defective in material or workmanship. This warranty applies to new or remanufactured parts which are Lexus genuine parts. Lexus Genuine parts are defined as manufactured by Lexus & purchased from authorized Lexus dealer. This warranty is good for 12 months, regardless of mileage, from the date of purchase, or the remainder of the applicable New Vehicle Limited Warranty, whichever provides greater coverage. Proof of original purchase is required to qualify for this warranty.

What is Not Covered:

This Limited Warranty does not apply where the vehicle mileage cannot be determined or has been altered, or where proof of purchase is unavailable.

Damage to a Lexus part or accessory caused by a Lexus non-genuine or unauthorized part or component is not covered.

Labor for removal from vehicle and reinstallation of a part or accessory sold "over-the-counter" is not covered.

Labor, parts, and other costs (such as all lubricants) connected with recommended maintenance service are not covered.

Service adjustments, such as calibration or alignments, are not covered.

Failures or damages resulting from improper installation, removal, repair, misuse, negligence, accidents, or modification of the part or the accessory are not covered.

Incidental or consequential damages resulting from breach of this written warranty or any implied warranty (such as telephone calls, loss of time, inconvenience, or commercial loss) are not covered.

Any implied warranties, including those of merchantability or fitness for a particular purpose, are limited to the applicable duration of this written warranty.

Some states do not allow limitation on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

This is the only warranty authorized by Lexus. The performance of repairs or the replacement of the part are the exclusive remedies under this warranty or any implied warranty. Lexus does not authorize any person to create for it any obligation or liability in connection with Lexus parts or Accessories.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
